

Air Blaster Blower type

Saves energy when used with a blower

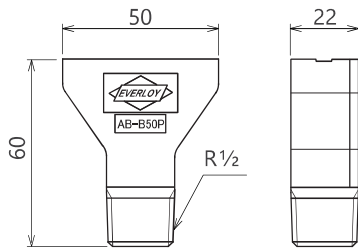

● Plastics (PPS)

Shapes and dimensions

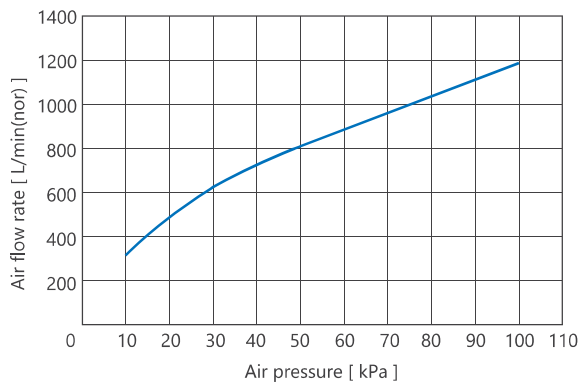

《AB - B50P》

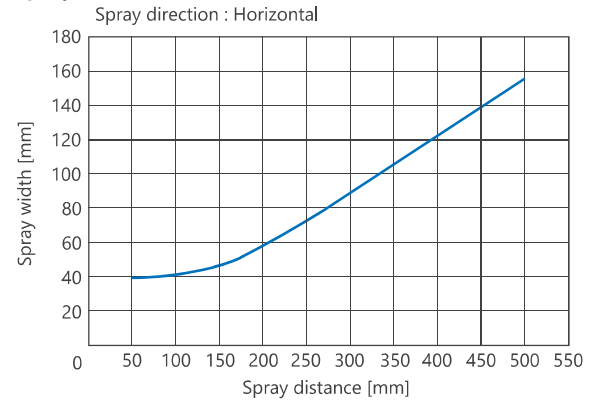

Model	Model No.	Min. orifice diameter [mm]	Max. service pressure [kPa]	Max. air flow rate [L/min(nor)]	Heatproof temp. [°C]	Weight [g]
AB	B50P	3.1	100	1190	130	25

Performance data

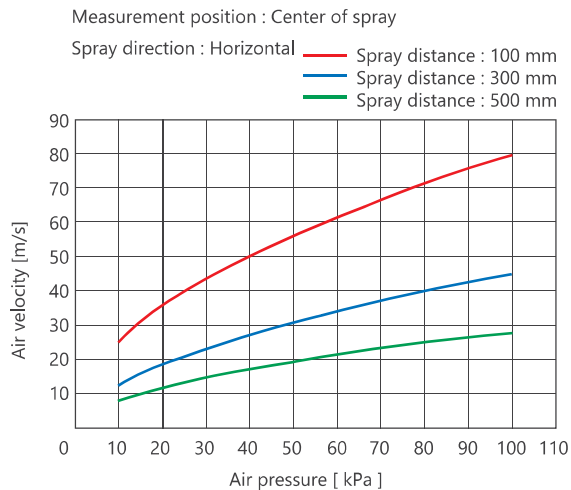

Air flow rate characteristics

Spray width characteristics

Air velocity characteristics
